## Whats Next?

# LETS US KNOW

Since positions are first-come, first-served, you will need to let us know if you would like to secure a spot. Our team will then inform you of the available options. Once agreed, an invoice will be issued, and payment can be made via Bitcoin, Ethereum, USDT, or Bank Transfer.

- ✓ Positions are secured on a 30-day rolling basis. **For example**, if you secure a position on August 4th, it will be valid until September 4th. Payment must be made before the renewal date to secure the position for the following month.
- ✓ All premium placements are displayed on our premium purple background. We ask that you provide us with a white PNG version of your logo.
